Rome, January 14- 2019

Dear International President,

Dear Catherine,

Dear All,

As National President of FIDAPA-BPW Italy, I confirm to organize, within the activities of BPW International for the CSW63, a **Side Event at Italian Mission in NY on 14 March 2019 from 9,30 to 11,00 am, on the theme:**

***“Social protection systems, access to public services and sustainable infrastructure for gender equality and the empowerment of women and girls”***

***-Sustainability, Working and Economic Growth for Gender Equality –***

The theme chosen is in line with: the 2030 Agenda – Goal 8: “..To increase employment opportunities, especially for young people, reduce informal employment and labour market inequality (particularly in terms of the gender pay gap), promote safe and secure working environments, and improve access to financial services to ensure sustained and inclusive economic growth...”

We would have the pleasure and honor to have, among our speakers, our International President, Amany Asfour. I will send the detailed program of the Side Event in a few days. Please send me the final confirmation because we will prepare the flyer with the speakers.

The request is sent in copy to our Regional Coordinator, Pinella Bombaci.

Best Regards

Caterina Mazzella

FIDAPA-BPW ITALY President
